

Office of the City Administrator

To: Mayor Welch, Milton Plan Commission
From: Al Hulick, City Administrator
Date: August 21, 2018
Subject: Continuation of Public Hearing, Discussion, and Possible Action on a Rezoning of 811 and 819 East High Street

Summary

Beth Drew contacted the City and indicated that she may not be moving forward with this project. She likely will still bring forth a land division at some point in the near future, but that does not require a rezoning.

If Ms. Drew plans to proceed with this rezoning at a future date, that item will be re-noticed at that time.

Recommendation

Therefore, City Staff recommends the Plan Commission close the public hearing and take no action on this request.
