

## Office of the City Administrator

**To:** Mayor Welch, Common Council Members  
**From:** Al Hulick, City Administrator  
**Date:** January 21, 2020  
**Subject:** Discussion and Possible Action on Resolution 2020-01 Accepting a Water Main Dedication and Maintenance Agreement from the Milton School District on the Milton Middle School Property

---

### **Summary**

As part of the Milton Middle School expansion project, a new water main will be extended along the western boundary of the property to serve a new fire hydrant at the north end of the addition. The new water main will be a “public” utility, and such an easement to allow public access to those facilities will be required in the event of maintenance and/or repair.

Therefore, Resolution 2020-01 as well as the attached Water Main Utility Maintenance Agreement have been prepared to ensure the City’s Utility Division has access to the site.

### **Recommendation**

The City Administration recommends the Common Council approve Resolution 2020-01 accepting a Water Main Dedication from the Milton School District and the subsequent Water Main Maintenance Agreement.
