Subject: Discussion and Possible Action Regarding Resolution 2020-05(A) Updating the Commercial and Residential Inspections Fee Schedule

Summary

On April 8, 2020 the Common Council approved Resolution 2020-05 updating the fees for commercial and residential building inspections. Upon adoption, an error was noted in the original resolution. Therefore, Resolution 2020-05(A) correctly updates the Commercial Inspection Fee to \$.18 instead of \$.15 per square foot for New Commercial Construction and Additions. Also, the word “Residential” was added in a various locations throughout the original resolution to better distinguish Residential and Commercial Fees.

Recommendation

The City Administration recommends approving modifications to Resolution 2020-05(A) updating the commercial inspection fees for 2020.
