

Approvers of the 2020 City of Milton Residential Exterior Improvement Grant Program:

As information, I have been approved for funding per the City of Milton Residential Exterior Improvement Grant Program for 2020. Since my approved submittal, I have received a new bid from Peterson Steel Roofing that I'd like to pursue. The bid is attached and utilizes MS Metal Sales ColorFit40 steel roofing vs the asphalt roofing of the previously submitted bids. Peterson's bid is similar in cost with the previous bid(s), specifically in the \$12,000 complete job estimate but has a superior 40 year warranty. The Peterson Steel Roofing's estimate, insurance documentation and ColorFit40 steel roofing literature are attached.

I'm hopeful that the approvers of the 2020 City of Milton Residential Exterior Improvement Grant Program allow me to utilize Peterson Steel Roofing vs the previously approved asphalt shingle roofers. If so, I'll be utilizing the ColorFit40 material in Burnished Slate (49) so as to match my home.

Thank you and I sincerely appreciate being approved for this grant.

Sincerely,

Loreta Wirts
