OFFICE OF THE DIRECTOR OF PUBLIC WORKS

Dear Property Owner:

*A Public Hearing for assessments for construction of the 2020 Sanitary Sewer Main Improvements (N. Janesville Street) has been scheduled for July 21, 2020 at 6:00 p.m.*  
See the attached notice for meeting information.

Sanitary Sewer Main installation and appurtenances are eligible to be assessed to property owners per City of Milton Code of Ordinances.

The estimated cost is included in this report. An attached list shows your address and estimated cost of improvements you may be assessed for.

The main is being installed to allow for future sanitary sewer connections to the City Sanitary Sewer System and provide a main to an existing property with a failed system.

The City Council will decide at the Public Hearing if the property owners will be assessed. A deferred assessment will be discussed. If you have questions about the assessment for this construction please contact the Public Works Department at (608) 868-6914, Monday – Thursday, 7:00 a.m. to 3:30 p.m. and 7:00 a.m. to 10:00 a.m. Friday or [hrobinson@milton-wi.gov](mailto:hrobinson@milton-wi.gov).

These assessments are estimated. Final cost and footage may vary when the project is complete.
